SEGVATOR[®]

THE ELEVATOR FOR YOUR SEGWAY[®] PT

The Segway[®] Personal Transporter (PT) is part of the mobility equation – the SegVator[®] LeanSeat[™] is another part

SEGVATOR[®]

THE ELEVATOR FOR YOUR SEGWAY[®] PT

- High and Low LeanSeat[™] versions available
- Interchangeable between Gen 1 and Gen 2 Segway[®] PT's – Each LeanSeat[™] version will work with both
- Surprisingly comfortable

SEGVATOR®

THE ELEVATOR FOR YOUR SEGWAY® PT

- Split “walk through” flip-down design allows you to use your Segway® PT conventionally with either LeanSeat™ version
- Easy to quickly install and remove

SEGVATOR[®]

THE ELEVATOR FOR YOUR SEGWAY[®] PT

- LeanSeat[™] utilizes an internal rod and “V” plate system to activate the platform sensors while seated
- Rugged, light-weight & compact with simple bolt-on design

SEGVATOR[®]

THE ELEVATOR FOR YOUR SEGWAY[®] PT

- LeanSeat[™] users of either High or Low version must be able to quickly stand unassisted and dismount the Segway[®] PT in the unlikely event of a mechanical or safety shutdown

SEGVATOR[®]

THE ELEVATOR FOR YOUR SEGWAY[®] PT

- High LeanSeat[™] version useful for anyone with standing duration issues to extend glide time
 - For use when stationary to rest and “take a leg break” without having to dismount the Segway[®] PT
 - Not intended for extended or aggressive gliding while seated

SEGVATOR[®]

THE ELEVATOR FOR YOUR SEGWAY[®] PT

- Low LeanSeat[™] version can be used for extended gliding
 - Must be able to fully sit and return to a standing position unassisted
 - Removable gel cushion available for added comfort
