

Corporate Events

Segway of Utah offers different options to help make your event or employee reward or team building experience unique, memorable, and fun!

We come to you:

We trailer everything to your location including cones for a Segway course, helmets, and ride waivers. We arrive early enough to setup and are ready so your event begins on time.

2-hour Event:

- 4 Segway PTs
- 2 Trainers
- \$500

3-hour Event:

- 5 Segway PTs
- 2 Trainers
- \$800

4-hour Event:

- 6 Segway PTs
- 3 Trainers
- \$1200

You come to us: Tours

We reserve Tuesdays and Wednesdays for our corporate customers. However, should you require a different day we will try to accommodate your request when given enough notice. 6 or more people in your group gets you a 10% discount!

Option One

Our Tour Guide will take each group, up to 6 people, on a one-hour **City Tour** in Spanish Fork City and along the Spanish Fork River Trail (west). The rest of your group can enjoy our private shady green backyard while they wait. We provide tables and chairs and plenty of room where you can bring your own food and non-alcoholic beverages for a relaxing picnic style event. Serving tables, trash cans, access to our restrooms, and ice are also provided.

- Tour Per Person \$40
- Backyard Rental \$50 per hour

Option Two

Our Tour Guide will take up to 6 people on a **one-way Country Tour** along the Spanish Fork River Trail (east) ending at Canyon View Park where we will then train and take **6 different people** on the return trip back to Segway of Utah. The park has restrooms, drinking fountain, a playground, and lots of grass and shady places for your group to enjoy the day. There are also three large pavilions available. You can call Spanish Fork City Parks and Recreation office at 801-804-4600 from 8am-5pm weekdays for information on reserving a pavilion.

- Tour Per Person \$40
- Please note: There is no shuttle provided by Segway of Utah to and from the park and/or our showroom.

Considerations:

- If your event is to include families, please know that riders must be 16 years of age and at least 100 pounds and with signed parent permission
- Helmets *must* be worn.
- Events may be inside or outdoors on a smooth riding surface. The minimum space should be about 40x40 and free from debris.
- If your event is to take place outside in the evening, please plan adequate lighting. Riding in the dark is dangerous.
- Safety is our **top priority!** The course is a riding course, not an obstacle course. There is no "Segway Jousting" or "Bumper Segways"
